

ROUND 2 INTERVIEW
May 7, 2021

STEVE STRICKER (-7)

Q. Steve, another good round, 3 under. Your thoughts on the day?

STEVE STRICKER: It's been a struggle the first couple of days with the wind condition, I feel like. Our whole group kind of struggled today a little bit. We got some -- you know, we had some good up-and-downs and I kept the round going by getting some of these good up-and-downs. But that wind has made it tricky on club selection; you feel like it's one way and it's blowing another. It's been hard at times to hit some really quality iron shots.

Q. Do you feel like -- I mean, you're in a spot to go chase it.

STEVE STRICKER: Yeah, yeah, I'm right there. I didn't do anything dumb today, just hung around. And we still have -- we're only halfway home, so we have a weekend to go. Someone's going to probably bust out of this pack, I would imagine. The wind is supposed to switch directions for the weekend, so that will shake thing up probably a little bit, too. The course is in great shape and just kind of continue to do what I've been doing.
