

**ROUND 3 INTERVIEW**  
**May 8, 2021**

**ABRAHAM ANCER (-4)**

---

**Q. How would you characterize your round today?**

**ABRAHAM ANCER:** Well, I played pretty solid, just a couple of holes that I -- a couple three-putts that hurt pretty good there. I didn't want to finish with a bogey on a tough hole after hitting a good tee ball. Other than that, I'm playing really solid. Tough golf course, it's playing really hard. Tomorrow I still -- I think I'll still be within striking distance. I don't know where the leaders are at, but it's going to take something special tomorrow, for sure.

**Q. Do you feel like you may be more aggressive tomorrow, this golf course is playing so tough?**

**ABRAHAM ANCER:** I think I'm playing it the way I can most aggressively play it. I don't think I can be more aggressive. It wouldn't make sense for me to do so. I'm playing as aggressive as I can.
