

**ROUND 3 INTERVIEW**  
**May 8, 2021**

**ROBERT KARLSSON (-11)**

---

**Q. Well, 8 under today to match your lowest round out here on Champions. Just your thoughts on the day?**

**ROBERT KARLSSON:** I played really good, and very, very happy with the way I handled things. I hit one in the water on 11 and I managed to make a par from there, so it was great to keep the momentum going. But I enjoyed it out there, so I look forward to tomorrow.

**Q. And what's your feedback on the course? Your first time here.**

**ROBERT KARLSSON:** It's fantastic golf course. It's great. The conditions are fantastic. I have actually played it back in the day. I was coached by Rob Bachman (sp?), who was the head pro here, teaching here. So I played it in 2014. But it's a great course, yeah.

**Q. What are your thoughts on seeing crowds out here again?**

**ROBERT KARLSSON:** Oh, it's great. It's great. And it's a bit -- you're not used to it. On the European Tour, where they have the trumpets out when you're about ready to tee off sometimes, but it's great to have a little bit of atmosphere back, and it feels like we're getting back to a little bit of normalcy again.

**Q. Excited for tomorrow?**

**ROBERT KARLSSON:** Yeah. I mean, every time you play well, it's -- you look forward to then playing the next round, so yeah.
