

**SCOTT BROWN (-3)**

---

**Q. Scott, first of all, talk about 15, the hole-in-one.**

**SCOTT BROWN:** Yeah. It was good. I mean, I just came off a double off the par 5, so kind of had my head between my tail [sic]. It was a perfect 9-iron for me, took off and never left it. I think it one-hopped in. We couldn't really see it well, but the crowd went wild.

**Q. What was your yardage?**

**SCOTT BROWN:** 154 hole.

**Q. Okay. Last hole-in-one before that?**

**SCOTT BROWN:** Out here, I'm pretty sure.

**Q. I can find that out.**

**SCOTT BROWN:** I want to say it might have been Greensboro with Tiger might have been the last one.

**Q. That was a pretty memorable one.**

**SCOTT BROWN:** Yeah. It's been a while since then. I could be wrong on that, but I think it was somewhere around that time frame.

**Q. Nice putt there on the end. I guess wait and see what happens, but nice to see that one go in?**

**SCOTT BROWN:** Yeah, it was nice. I hit it really good all day and just couldn't make anything and finally made one on the last hole, so hopefully it does, but we'll see.
