

ROUND 1 INTERVIEW
July 2, 2021

WES SHORT, JR. (-6)

Q. Wes, 6-under 66 on Friday. Your thoughts on the day?

WES SHORT JR.: It was really good. Hit more fairways today than I did all of last week probably on the first five holes. Last week was tough, makes this seem a little easier. I drove it really well. I only missed one fairway and maybe three greens and I putted a lot better.

Q. How was the course out there, the conditions?

WES SHORT JR.: The course is great. It's a little wet still, but they do a good job about keeping it in good shape.

Q. You had a birdie there at the very end.

WES SHORT JR.: That makes the round feel a lot better. Hit a couple good shots and made the putt, always makes it feel a lot better.
