

**ROUND 2 INTERVIEW**  
**July 3, 2021**

**CAMERON BECKMAN (-8)**

---

**Q. Nice bogey-free 3 under today, puts you in a great position going into Sunday. Just your thoughts on the day.**

**CAMERON BECKMAN:** Yeah, I hit the ball nice today and I missed -- I had a bunch to capitalize on and get a little further under today, but anytime you go bogey free. I hit a lot of greens and just a lot of great shots, so I'm excited for tomorrow.

**Q. Weather was kind of up and down today, right? We got a little bit of everything. Just talk about how that might have affected your round.**

**CAMERON BECKMAN:** Not too bad. You never want to play in the rain, but we had a couple spots where it was raining pretty good. Especially on the par 5s, you kind of want -- it kind of affected how far the ball was going off the tee and we weren't able to get to some of them. Tomorrow's going to be a good day and hopefully we crank 'em up.

**Q. Looks like you've got Ernie and Darren tomorrow in the final round. Playing in the last group, any additional pressure on you?**

**CAMERON BECKMAN:** No, absolutely not. I can't wait to play with those two, they're good guys. It will be fun.

**Q. And what's it going to take? You said you're going to go practice a little bit here?**

**CAMERON BECKMAN:** Yeah, I've got to roll it a little better, just a little better putting and then keep driving it in the fairway.
