

CAMERON DAVIS (-13)

Q. In contention, not just hanging. How does that make you feel entering Sunday?

CAMERON DAVIS: Yeah, I'm very pleased with the way I played the last four days. Had a nice little break and recharged. It's nice, the first one back is going to plan pretty well. So playing really solid, give myself lots of looks at birdie and getting out of some situations well to save pars. Yeah, it's just been a really enjoyable first three rounds out here. Yeah, I'm looking forward to tomorrow.

Q. Is it the style of course, just how you're playing the past couple days that has, you know, really kind of helped you elevate to where you are right now?

CAMERON DAVIS: Yeah, I'm getting in play pretty well, I'm hitting my irons pretty solid. Everything's just sort of in a good place and everything working together pretty well kind of leads to a little less stress on the golf course, leaving me in better positions. And it's nice to make a couple of putts every now and then to keep the momentum going. I've missed the cut the last two times I played here, so I wouldn't say necessarily it's a place that fit my eye straightaway, but this year I've kind of figured out a slightly different way to play the golf course and it's going pretty well so far.

Q. What is that slightly different way?

CAMERON DAVIS: Try and put the ball in the fairway.

Q. Pretty easy game when you break it down like that.

CAMERON DAVIS: Yeah. You need to be in play to hit a good shot for your second one. Yeah, it's been going all right. I just need to do another good solid day tomorrow.

Q. When you look at Rocket Mortgage and what they've done, you said you've been here the past couple of years. The fans, being back, how much are you enjoying the Detroit fan base and the people out here?

CAMERON DAVIS: Yeah, everyone's very vocal, it's cool. When you're playing well in front of a crowd, it's just very enjoyable, I really like it. As long as people are respectful when you're hitting the ball, I don't mind how rowdy they get after that and I feel like they're doing a really good job out here. I'm sure they've been waiting a long time for a big event like this coming around again. It's been a great atmosphere. Interested to see what it's like tomorrow, but yeah, it should be a lot of fun.

Q. What would it mean to you to walk away with the Rocket Mortgage championship?

CAMERON DAVIS: It's been what I've been working for my whole life, so it would be pretty special. I just need to try and do my job and hopefully, yeah, come out the other side with what I want. Either way, I'm just going to make sure I enjoy it. Looking forward to it.
