

**ROUND 2 INTERVIEW**  
**July 3, 2021**

**MIGUEL ANGEL JIMENÉZ (-7)**

---

**Q. Miguel, a little bit of a tough finish there, but still overall your thoughts on the round?**

**MIGUEL ANGEL JIMENEZ:** Yeah, well, I've been playing very well, very solid and I only make only one putt on 18 holes really, on the 16th, but solid from the tees, lot of chance for birdie, finished with 3 under par today. (Indiscernible) being a little aggressive on my first putt and I putt like four feet.

**Q. Any holes stand out to you today that were a little bit more of a challenge?**

**MIGUEL ANGEL JIMENEZ:** Sorry?

**Q. Any holes stand out today that were a little bit of a challenge for you?**

**MIGUEL ANGEL JIMENEZ:** Well, if you play well and make two bogeys, make a bogey on the 15th hole, but I missed my second shot from the left there. (Indiscernible) I think key for tomorrow. There's still 18 holes.

**Q. You had a pretty good round yesterday. What did you have to do to sort of keep the momentum going?**

**MIGUEL ANGEL JIMENEZ:** The momentum is start making birdies like I've been doing today. Start making birdie on the second hole and make five birdies in a row. That what you need to do tomorrow, try to make tomorrow. He's playing well, he's playing very solid from tee to green and he's putting very well also. That's what he make today, 7 under par today. The only way to fight with him is hole some putts. We are both playing very well.

**Q. You've got a good group with Paul and Ernie?**

**MIGUEL ANGEL JIMENEZ:** Yeah, nice group. Paul's playing very well today also. In the beginning was a little cold with the putter, but through nine holes he's hitting good and then started warming with the putter also. He's 3 under par today.
