

**ROUND 3 INTERVIEW**  
**July 17, 2021**

**TREY SHIRLEY (-4)**

---

**Q. In your first PGA TOUR start, made the cut.**

**TREY SHIRLEY:** Yeah.

**Q. Tell me about that.**

**TREY SHIRLEY:** Yeah, I was pretty excited to make the cut. It's pretty special having all my family and friends here. I didn't play very well today. I got off the tee really well, but I didn't putt very well today at all. But, you know, there's some positives. My ball-striking's still pretty good, so we can look forward to that.

**Q. Going off that, you now have three rounds under your belt. What have been takeaways just in this first start that you're going to use going into tomorrow's final round?**

**TREY SHIRLEY:** Yeah, just I've got to find some way to start making some putts out here. I love the greens. They're a little slower than I'm used to here, but they're rolling great. Just continue to get off the tee really well and try to hit some irons and wedges a little closer and try to make some putts.

**Q. You mentioned having family and friends following around. What does it mean to have that support out there, especially a local favorite here?**

**TREY SHIRLEY:** Yeah, it was pretty special; my first PGA event, to be so close to home. I've been able to stay at home, which is great. Sleep in my own bed, wake up with my dog and my wife. Yeah, I've had a ton of people out here supporting me and it's been a lot of fun. Still got another day to go and clean up some stuff and get back to work tomorrow.
