

CHARL SCHWARTZEL (-13)

Q. Nice finish there at the 18th. Just trying to catch Louis there at 13 under. What's the story?

CHARL SCHWARTZEL: Yeah, I feel like 12 and 13 was all that sort of cost me. I was on the fringe on 12. It was a long way away, but three-putted and three-putted the next, 13, as well. Not hitting that bad of putts, it's just tough with the wind blowing. Those are two holes that put me back just too far to catch. Then made a good birdie on 14 and got real unlucky on 16 under the lip of the bunker and I thought it was a great birdie on 18.

Q. How about this week overall here at the 3M Open, playing in front of these great golf fans here in suburban Minneapolis?

CHARL SCHWARTZEL: The fans have been great. I came here last year and I finished third and this year second, so I figure next year we get the win. But it's been great. Everybody, great golf course. 3M has done a great job and people in Minneapolis are great.

Q. So obviously you like this course because you have had such great success on the course, right?

CHARL SCHWARTZEL: What's not to like, right? It does suit good on my eye. It was in great condition this week and a lot more wind this week than last year, but just a good golf course
