

ROUND 1 INTERVIEW
August 12, 2021

SUNG KANG (-6)

Q. (In progress) what's on the line for you in terms of qualifying for the Playoffs this week.

SUNG KANG: Yeah, I've got to finish probably high, first, second or solo third.

Q. Just the win is the only --

SUNG KANG: Yeah, I'm aware of that, but I'm just going to try to do one shot at a time, the best I can do, one shot at a time, and then it will take care of it.

Q. We've heard a lot of guys talking about the heat today. How were you able to manage that?

SUNG KANG: I had an early tee time, so I didn't think it was going to be this hot. Then I even talked to my caddie, I'm going to bring probably some towels, maybe not umbrella, maybe light umbrella, Sunbrella, something like that. It's really hot. I've never really had this hot in Greensboro. I think it's probably a little bit warmer than normal, so I think I've definitely got to make sure I've got to take some rest, get refreshed and get ready to go.
