

**ROUND 4 INTERVIEW**  
**August 15, 2021**

**BRANDEN GRACE ( -15, lost second playoff hole)**

---

**Q. Branden, you hit a heck of a putt there on 18 in regulation to get into this wild bunch. Just takeaways from the entire day and the playoff?**

**BRANDEN GRACE:** Yeah, obviously just nice to be in this situation. I knew I had to dig deep finishing up, needed three birdies in my last I think four holes to have a chance and managed to just do enough. Obviously got lucky there in the first playoff hole, but I thought I gave it a good chance there on the last putt, just maybe a little bit low on pace. With these things, it can go to anyone.
