

**ROUND 4 INTERVIEW**  
**August 15, 2021**

**JUSTIN ROSE (-13)**

---

**Q. Still some golf to be played, a little up in the air, but general just assessments of this week and especially the start of this morning?**

**JUSTIN ROSE:** Yeah, I mean, for the most part, done what I needed to do this week and just a disappointing finish there. I wasn't really playing for Top-125 for most of the day, I was playing to try to win the golf tournament and it's hard to know exactly what you need to do out there, but you know each shot's important. I had some good putts, some good looks coming in. Slightly surprised when I saw 15 under was tied for the lead there on 18, which is sort of even more gut wrenching really to finish 13 under and probably miss out on the FedExCup as well, so couldn't be a worse result really on the day.

**Q. It looks like this comes down to whether two guys bogey or not in the final two holes. Kind of an odd situation to be in, unique in golf for you.**

**JUSTIN ROSE:** Yeah, that's kind of what the Playoffs is all about, right? It's a knife-edged moment. I've been on the winning side at East Lake where a bogey was costly and a birdie got me back into the projected No. 1 spot, so I've been on the right side of it and maybe on the wrong side today. Yeah, it's not nice when it's not in your hands, but obviously it was in my hands up 18. I didn't do a very good job of that.

**Q. How are you going to spend the next 20, 30 minutes?**

**JUSTIN ROSE:** Refreshing my phone probably. Nothing I can do now.
