

WOODY AUSTIN (-10)

Q. The lie in the bunker, how bad was that?

WOODY AUSTIN: It was in the rake, it was in the rake part. It was bad enough it was already on the downslope, but then being in the rake part, I tried to chunk it into the hill and I caught the ball.

Q. That's more of the bad luck you were talking about?

WOODY AUSTIN: Like I said, I played better than anybody today as far as in my group and I still didn't win.

Q. On No. 2 you had that -- was that --

WOODY AUSTIN: I didn't walk around and do anything, I just hit it and poa annua, sometimes the ball bounces and it just bounced out of the hole.

Q. Seemed like you had a pretty good round of golf. Are you happy with how you played?

WOODY AUSTIN: Yeah. Like I said, I three-putted the first two holes. I had eight putts in the first three holes. If I only had four putts in the first three holes --

Q. Right, right.

WOODY AUSTIN: I played well enough to win, but that's why I'm a journeyman. Journeyman don't win when you're supposed to.
