

**ROUND 3 INTERVIEW**  
**August 22, 2021**

**ROD PAMPLING ( -12)**

---

**Q. Sixty-six, happy with that? Did you feel like you maybe needed to birdie possibly to --**

**ROD PAMPLING:** Yeah, definitely. The bogey on 16 kind of -- yeah, that was the only shot really today that I wasn't happy with. It was a good hit, but just, yeah, a bad decision on what to do there. Yeah, kind of forced the issue. Hit a great second shot in there, just got a -- wasn't sitting pretty. Anyways, sometimes you get good breaks and sometimes you get bad. Unfortunately, that one didn't really give me much option except play it out safe and try and make a putt.

**Q. Still pretty good out there.**

**ROD PAMPLING:** It was good. I hit everything good, felt in control most of the time. You know, it's golf, sometimes it works out. And hopefully no one else will do any other birdies and I'll at least have a chance still in a playoff.

**Q. So you go hit balls now? Do you watch? What do you do?**

**ROD PAMPLING:** Yeah, I think he's got four holes to go, so I'm not going to hit balls for an hour, whatever it is. I'll just go in the locker room and just chill out for a bit.

**Q. Pretty happy to get to 12 under?**

**ROD PAMPLING:** Sure. I hadn't seen the course ever before, so it was nice. Coming out of the gates well, it was a good hitting week and we had some nice putts rolling early today, which obviously got you in contention, which was nice
