

**ROUND 1 INTERVIEW**  
**August 27, 2021**

**MARCO DAWSON (-8)**

---

**Q. Marco, great playing. I know it was a long day, but you seemed to persevere. Just your thoughts on the round?**

**MARCO DAWSON:** Drove it well and I putted well. That usually leads to good scoring. And the irons were pretty good for the most part. I think I missed one green, got it up and down.

**Q. Talk about your eagle there.**

**MARCO DAWSON:** Yeah, I was short left of the green on 16 and it was about 60 yards and hit it -- you know, just trying to get it up there close and it hit just right and it just rolled in like a putt.

**Q. What about conditions today?**

**MARCO DAWSON:** Yeah, they were really wet. It started to dry out a little bit. The greens are really probably the driest thing out there. They're holding. They're not real, real soft as far as, you know, moisture. You can still get a bounce. So as long as it doesn't rain any more, the greens should be really good. And they're rolling smooth, very smooth.
