

ROUND 3 INTERVIEW
August 29, 2021

STEVEN ALKER (-15)

Q. Last couple weeks you've really shown something out there.

STEVEN ALKER: Yeah, yeah, this week was great. I just enjoyed the week and had fun. Just lucky to be here. Last week was a fun week as well, first week. I just kind of kept it rolling, I just kind of kept my nose clean most of the week. I think my first bogey was like on my fifth hole today this week, so I was just pleased I could keep it in the fairway and had a lot of chances, so it was fun.

Q. You keep playing yourself into the next tournament. You're in Ascension now, right?

STEVEN ALKER: Yes, yeah, exactly, so I'd love to play. I'm done with Korn Ferry and I'm just coming out here and joining the 50 Club and trying to keep it going.
