

ROUND 3 INTERVIEW
September 19, 2021

STEVE FLESCH (-12, lost 1st playoff hole with bogey)

Q. Steve Flesch, can you just put the week into words and sum it all up?

STEVE FLESCH: I don't know. I played well, I've been playing well. I just wish I could have played that 72nd hole over. I picked an aggressive line and made kind of a tentative swing with the 3-wood and it got me. You know, that 18th hole, it's playing tough. Straight downwind, it's hard to get the ball on the right level. But I'm playing well, just going to keep knocking on the door. But I had a good week, played good. Maybe next time.

Q. And the approach shot in the playoff hole, did you hit that how you wanted?

STEVE FLESCH: I did, but you're trying to stop it in a 12-yard gap and it's downwind 25 miles an hour, so I probably hit it about five, six yards too far and it hopped over into a cruddy lie. It happens, it's golf. I'm playing good, so I'm just going to keep grinding out the rest of the year.
