

**ROUND 2 INTERVIEW
NOVEMBER 5, 2021**

SERGIO GARCIA (-9)

Q. Two-under 69 today, nice birdie at the last. A few comments in English about the round?

SERGIO GARCIA: Yeah, well, obviously started nicely. Unfortunately, I missed my drive a little bit on 16 and just caught the right hazard. Then hit a pretty nice shot, but it came out a little bit stronger than we thought and hit it over the green, ended up making a good 6. But then since then felt like I played okay, just gave myself a lot of 15-, 20-footers and nothing seemed like it wanted to go in today, but at least we birdied two of the last three holes. Definitely felt like it could have been at least a 5- or 6-under par round, but we missed just a couple and we hopefully play nicely on the weekend.
