

**ROUND 2 INTERVIEW
NOVEMBER 5, 2021**

JUSTIN THOMAS (-9)

JUSTIN THOMAS: (in progress)... 9, 10, 11 under, I don't want to say easily, but easier than other courses. If you're driving it well, you've got control of your ball. I wedged the ball very poorly today, misjudged a couple, just didn't quite hit a couple in there close to the hole and I felt like I should have. It's the same for everybody. I think you see some of those low scores, but I know that I'm capable, I just have to go do it.
