

**ROUND 4 INTERVIEW  
NOVEMBER 7, 2021**

**SCOTTIE SCHEFFLER (-17)**

---

**Q. Five birdies to start. Maybe just talk us through the front nine there. What was working well?**

**SCOTTIE SCHEFFLER:** Got off to a good start, I gave myself some good looks early, made some nice putts. Yesterday I felt like I hit every lip there was on the golf course, so it was nice to see a few go in early. Yeah, it was good golf on the front nine.

**Q. What happened on 16?**

**SCOTTIE SCHEFFLER:** Just overcut it.

**Q. Just walk us through it.**

**SCOTTIE SCHEFFLER:** I got off to a start that I felt like I needed to, gave myself some good looks. I hit a ton of good putts today and I made a good run. Viktor's playing some good golf so he's obviously going to be tough to catch. I had to make a few more birdies towards the end and wasn't able to do that.

**Q. And you played against Viktor during one of the matches at the Ryder Cup. Describe his game.**

**SCOTTIE SCHEFFLER:** Yeah, he's been proven out here for a couple years now. He's a great ball-striker and really good putter as well and obviously a very talented guy, so I'm sure this won't be the last time you'll see him on top of the leaderboard.

**Q. (Inaudible) running across the fourth shot on 16. Did you notice it at all?**

**SCOTTIE SCHEFFLER:** I saw when I looked up. That stuff typically doesn't bother me too much. Gilf mentioned it after. Kind of funny that the little guy ran as I was swinging. Didn't affect me, I just had a mud ball.

**Q. As far as the big picture's concerned, you've been knocking on the door for a couple of years here. At what point in your game do you get across the finish line?**

**SCOTTIE SCHEFFLER:** I don't think I have to do too much, just keep putting myself in position. I'm ranked pretty high in the world and I've played good out here for a number of years. I think it's pretty tough to win out here. Getting around this golf course in whatever Vik's going to finish at this week -- 23, 24 whatever it is -- is not easy golf. I've just got to clean up a few areas, keep getting better and I'm sure I'll be there soon.
