

ROUND 2 INTERVIEW
December 3, 2021

TONY FINAU (-10)

Q. Tony, could you just talk to us about your round today? What was good about your game?

TONY FINAU: I played nicely. Hit a lot of fairways, which is important I think out here. Didn't hit in the sandy areas too often so was able to control the ball into the greens and just put together a solid round of golf.

Q. Plenty of birdies on the card, which is nice, too?

TONY FINAU: Yeah, no doubt. I think I had like seven yesterday or something and I think six or seven today. Making some birdies out there, which is nice, and I think you've got to do on this golf course.
