

**ROUND 1 INTERVIEW**  
**January 26, 2022**

**C.T. PAN (-5)**

---

**Q. Off to a good start, 67 today. If you could just kind of talk us through some of the highlights and what felt good.**

**C.T. PAN:** Everything felt good, especially putting. Made a couple like 20-footer, 30-footer on the front nine. I shot 4 under on the front, which was really good. I put myself in really good spots, hit a lot of fairways out there. The course is long, but my game, iron game's performing really well, so really happy with my round today.
