

SATOSHI KODAIRA (-10)

Q. Six-under 66 today, great round. Just some comments about the round.

SATOSHI KODAIRA: I played really good golf today. Since yesterday, I've been able to minimize the number of bogeys out there. Well, I didn't even have any in today's round. It gives me great confidence that I've only made one bogey after two days. I've managed to be very consistent. I'm having a lot of fun playing golf right now.

Q. How have you been playing coming into the week? Have you been feeling good, confident?

SATOSHI KODAIRA: I've been playing very well this year so far. I missed the cut in last two events, but I wasn't playing too bad. I felt confident coming into this week so it's really nice to see it show in my scores the last two days.

Q. Is Presidents Cup on your mind at all?

SATOSHI KODAIRA: I haven't been thinking about that too much. But it's definitely my goal to play well and make the team, so I plan to do the best I can and take one tournament at a time.

Q. What did you do well particularly today? What do you think your best shot today was?

SATOSHI KODAIRA: No. 2, second shot. I've been playing well the last two days so I went for it and reached the green in two to make birdie. That gave me a great momentum.

Q. Would you change anything going into the weekend?

SATOSHI KODAIRA: I'm going to maintain the same game plan.
