

**ROUND 3 INTERVIEW
APRIL 2, 2022**

MATT KUCHAR (-8)

Q. Matt, just get you to comment on your round. I know No. 9 and No. 18 will be on your mind tonight, but still two shots back, not out of it.

MATT KUCHAR: Yeah, started out really good golf, got 3 under par early and then that can happen out here, some bad shots get penalized. I hit a poor tee shot on 9 and just that's a hole everybody knows you can make a big number on, cost me a double, and then a poor drive on 18 cost me a bogey.

Aside from that, it was pretty solid, pretty good golf. Just hope to -- I had three days kind of keeping it out of the real trouble and hope I can regain that tomorrow and stay out of the trouble.
