

ROUND 4 INTERVIEW
APRIL 3, 2022

JORDAN SPIETH (-5)

Q. I just wondered, Jordan, going into the Masters, what do you feel like is good and what do you feel like you have to address?

JORDAN SPIETH: I just have to address putting, that's it. Everything else is -- I mean, I had no -- I mean, I missed nine putts inside of six feet this week. That's really, really bad. So I've got to figure out a stroke feel that gets me comfortable everywhere. It wasn't just -- I missed a lot of mid rangers, too. It was the worst I've ever putted in a professional event.
