

ROUND 1 INTERVIEW
May 5, 2022

PAUL BARJON (-5)

Q. Thoughts about the round and what you felt good about.

PAUL BARJON: Yeah, it was a very good round. Always happy to get a bogey free, especially on this course. Been playing pretty decent the last few weeks, but was missing a little bit of putting here and there and made a few mistakes with the driver. Today, kind of kept it in play and gave myself some looks.
