

ROUND 1 INTERVIEW
May 5, 2022

GREGORY ODOM, JR. (+4)

Q. How was the experience like going to that first tee, playing a PGA Tour event for the first time and all the support you got around the course?

GREGORY ODOM, JR.: I loved it. Everybody came out here to support me and like all I can say is thank you and I enjoyed it out here.

Q. Can you take us through the last 24 hours after you played three days at the PGA Works? Did you leave right after or come back this morning or kind of what was your schedule like?

GREGORY ODOM, JR.: It's been a long week so far. I played Monday, Tuesday, Wednesday. Those rounds were very long. Then we had to get up early in the morning. Last night we got in around 10:20, so that was kind of late. Really didn't go to sleep until like 1:00 because I had to pack and get ready for today. Just came here today.

Q. Did you feel like you had enough gas? How did you feel energy wise today?

GREGORY ODOM, JR.: Energy wise, at the beginning I feel great and then kind of hit me starting really like on the back side kind of started hitting. I hit a little wayward shots, but tried to manage.

Q. How about can you take us through your birdie on 13 there, the approach there and the putt, too?

GREGORY ODOM, JR.: I was hitting good shots today all day, but they were just getting unlucky. That hole just pretty standard, in the fairway, on the green and I made it.

Q. I don't know if you saw Steph Curry comment about how proud he is of you and your amazing talent. I don't know if you saw that and your reaction to that.

GREGORY ODOM, JR.: I actually didn't see that.

Q. We called him and he said it's so great representing Howard and holding the Howard flag and representing HBCUs and he said it's really amazing what you're doing.

GREGORY ODOM, JR.: That is extremely amazing. That what I'm here for, to represent and be a model so other kids can look up to me and do better than me and come here to (indiscernible,) so yeah.
