

ROUND 3 INTERVIEW
May 7, 2022

JASON DAY (-1)

Q. Jason, just one of those days. Just comment on what it was like out there.

JASON DAY: No, I mean, unfortunately I just didn't have my stuff today. Just trying to think. I made a lot of errors out there and hitting into penalty areas. It's okay. I've just got to get back to it tomorrow and try and find some positives from the first two days going into tomorrow's round.
