

**ROUND 1 INTERVIEW**  
**June 10, 2022**

**COLIN MONTGOMERIE (-6)**

---

**Q. Overall thoughts on the round?**

**COLIN MONTGOMERIE:** Okay, great. Well, it's always nice to go bogey free for a start. That's always nice. I've always enjoyed coming here. I had shot 63 one day and finished quite close to winning, but it's a good course in good condition. The rains actually helped it, to be honest with you, and I look forward to the two remaining days. Obviously played okay, obviously drove the ball well. I think it's a driver's golf course. You've got to put the ball in the fairway, which I did today, and as long as I can drive the ball well, I'll be okay. So we look forward to the next two days.
