

ROUND 1 INTERVIEW
June 10, 2022

MARIO TIZIANI (+2)

Q. Just overall comments on the day, how you felt you played?

MARIO TIZIANI: Not good. I got off to actually a decent start, I felt fine and made a double at 8, just made a really bad swing. Then yeah, hit it in some really bad spots more than anything. So-so shots that turned out bad. So I'm not happy, but got two more days.

Q. Steve's got a lot on his plate this week. What about you, what's this week like for you? Do you have extra stuff to do this week?

MARIO TIZIANI: Yeah, a ton. Our company puts on a concert. It's a family week. It just seems like I can't put all this tournament stuff aside and enjoy it. So it's busy. You try to kind of compartmentalize it and put it aside, but no excuses, we'll be ready to go tomorrow.

Q. How was Izzi on the bag?

MARIO TIZIANI: She was great. Yeah, we had a good time.

Q. Was she nervous?

MARIO TIZIANI: Yeah, she was nervous. She's fun. She counts backwards sometimes, so instead of adding, she subtracts. We get a chuckle. She did a great job.

Q. Game plan for the weekend? Are you going to go practice now?

MARIO TIZIANI: Just a little, yeah, then I've got to go to the concert. Yeah, I'll just try to chip away. It's in there, it's one of those days for me. Today, not a lot went right. It happens. Hopefully it will even itself out. Now this game owes me 2,000,347 shots (Laughs.)
