

**ROUND 4 INTERVIEW**  
**July 10, 2022**

**MARK HUBBARD (-22)**

---

**Q. Mark, great finish, 7-under 65. Great week, third place. Just kind of assess the whole week for me.**

**MARK HUBBARD:** Yeah, honestly, I'm pretty -- I don't know if I've ever been happier with my play because I really didn't hit it well and I just managed my game so well all week. I played great, but irons were okay, but the driver, man, was sketchy. I was basically just hitting like a 30-yard slice the whole week, it was ugly. Me and Kyle, my caddie, did a really good job and I just managed my emotions and my game really well.

**Q. Can you take some confidence out of the fact that you didn't hit it and you didn't play what you know you're up to and you can still come away with a third place finish?**

**MARK HUBBARD:** Yeah, absolutely. Last week I hit it really well last week at Deere and I don't know if it's because this course, like I was saying last time, that it definitely favors a cut. Maybe I was hitting too many cuts and it kind of got me out of balance. So hopefully I can kind of be balanced next week. But definitely playing well without your best stuff always gives you confidence.

**Q. And did I hear you're going to take that to Truckee from here?**

**MARK HUBBARD:** Yeah, I haven't really decided yet. I'm going to take some time and see how my body feels. Right now the plan is to play there. I went to school in the Bay area, I love that area. My wife's from Sacramento, so that's a tough one to skip for me even though it's an opposite field event.
