

JERRY KELLY (-11)

Q. It's been a while. You picked up your first senior major here at the Firestone, but it's been a while. What's this one mean to you now?

JERRY KELLY: It means a lot. I didn't play -- I wasn't feeling too good when I went back to THE PLAYERS Championship in March last time. I'm really excited that that's what we get to do after winning here. But to get a second major out here, that really kind of makes me feel a whole lot better. One, you always want that second one. This one's pretty exciting.

Q. You had to have a lot of patience today. Earlier the lid was on the hole, you couldn't get a putt to go in and your wife had some special advice for you that paid off. What was that?

JERRY KELLY: She did. Right when we left in the car, she just said it doesn't matter what happens, just go out there, just have a positive attitude and it's going to come to you. I kept on saying, okay, I'm going to smile when I miss this one and it's going to come to me and they ended up coming at the end.
