

**MATT WALLACE (-6)**

---

**Q. Can you comment on your round?**

**MATT WALLACE:** Very solid. Gave one shot away from a bad strike, but apart from that, really solid day. In control kind of like last week as well. You know, just try and stay quite neutral and it was a good start.

**Q. How important are these last two weeks to try to make a push to qualify for the FedExCup Playoffs?**

**MATT WALLACE:** Well, they're really important. Obviously I want to be playing over here on the PGA Tour, but -- that's in my control but it's also not, so all I have to do is just keep putting good scores on the scorecard and then take it from there.

**Q. Impressions on Detroit Golf Club, how it fits your game?**

**MATT WALLACE:** Yeah, love it. Was here a couple years ago. A little bit different now out of the pandemic when it was during it last time, but a great golf course, right in front of you, flat, tree lined. But I will say when the course is relatively soft and not too much wind, there's wind picking up now, you give the best players in the world an opportunity to go low.
