

STEPHAN JAEGER (-9)

Q. Four-under 68, excellent round again. If we can get some comments on your day.

STEPHAN JAEGER: Yeah, like yesterday, just kind of a solid start with a bogey again, which maybe I should do that more often. Yeah, just hit it good, made a couple crucial putts, a couple up-and-downs that kind of kept the round going. Yeah, I'm super happy with the result. It got a little windy and a little crusty this afternoon, so I'm happy with it.

Q. Thoughts going into the weekend being in the mix?

STEPHAN JAEGER: Yeah, it's fun. I've only had a couple times this year and I've always enjoyed it. It's a golf course that I really enjoy playing. I played it in the first event they had here in '19 and I've been looking forward to coming back ever since. I'm super excited. The golf course is playing awesome, it's playing firm. With that little bit of wind we got, it will dry out a little bit. It's just a good test of golf and I'm excited for the weekend.
