

CAMERON YOUNG (-17)

Q. Well, I mean, another really strong day, but you're still chasing. Probably feel good about your position though overall?

CAMERON YOUNG: Yeah. I don't know what they finished at. I would love to be closer. I think I had a chance to shoot nine or 10 today, but yeah, I mean, I'm happy that I've kept it somewhat close. And I know those guys are playing some great golf in that group behind me today, so yeah, I mean we'll be chasing all day tomorrow.

Q. I think Tony, if he made that, he's 22.

CAMERON YOUNG: That's a bummer.

Q. Yeah. I heard you mention something about a dropkick drive. Where was that?

CAMERON YOUNG: Sixteen.

Q. Sixteen?

CAMERON YOUNG: I'm not going to talk about it again.

Q. I don't blame you. You just keep putting yourself in that position. The mindset must be pretty good as you're going into these tournaments?

CAMERON YOUNG: Yeah, mostly. I mean, I'm five back, I have to play a ridiculous round of golf tomorrow to have any chance. That's kind of where I'm at for tomorrow.

Q. Thoughts on Detroit and this Donald Ross course?

CAMERON YOUNG: I've loved the golf course. We've really enjoyed it. I have my family here with me, so we've gotten to explore downtown a little bit and we've had a nice week.

Q. Is that your baby over there?

CAMERON YOUNG: Yeah, it is. He's somewhere.

Q. Your whole family's here? You're loving Detroit?

CAMERON YOUNG: Yeah, exactly.
