

**TAYLOR MOORE ( -19)**

---

**Q. Taylor, 6 under, excellent round. If we can get some comments on your day.**

**TAYLOR MOORE:** Yeah, I got off to a really good start, I was 4 under through seven and in cruise control a little bit. Had a little bit of a lapse there on 8 and 10 and made a couple bogeys, but rebounded nicely and finished the round off strong. Yeah, was very pleased with how the day went.

**Q. Take us true the eagle on 14.**

**TAYLOR MOORE:** Yeah, I had 214 hole to that front right pin and we went with 7-iron and was able to just skip it up, landed just short of the green and got it in that section and capitalized on a good shot.

**Q. Sixth place right now, just talk a little bit about what this week means to you.**

**TAYLOR MOORE:** Yeah, it comes at a great time, too. Personally obviously it's a great finish, any top-10 out here is really good, but coming at this point in the year, moving up before we get to the Playoffs is extra special. And honestly just a great week for me and my family, my team. Had DJ out here walking with us this week, which is really cool. Was excited to have a good week with him.

**Q. Currently projected around 75th in the FedExCup, that's a pretty good jump. Just talk a little bit about coming down the stretch and your goals.**

**TAYLOR MOORE:** Yeah, I think I locked up being qualified for Memphis a few weeks ago and I think now is just trying to set my sights on getting into that second round, and then from there with quadruple points, anything can kind of happen. Yeah, definitely excited to get closer to that 70 number and looking forward to next week.
