

**CAMERON YOUNG (-21)**

---

**Q. Cameron, another runner-up finish on Tour, first of all, talk a little bit about today's round, 68, great finish. Four out of the last six you had birdies, but you're probably thinking about hole 18, though. But still, talk a little bit about the round.**

**CAMERON YOUNG:** Yeah, I got off to a bad start. I just didn't have very much control over my golf ball the first -- really the whole day, honestly. I just didn't make the putts, I didn't -- you know, I didn't hit many fairways. It was just kind of messy. And then nice to have a good finish at the end. I made a putt on 16 and made some relatively simple birdies on 13 and 14. Yeah, I'm happy with the week, for sure. Definitely frustrated with today, though.

**Q. Five runner-up finishes on Tour this season, two third place finishes. How do you characterize that and how do you feel about that sort of as the Playoffs loom?**

**CAMERON YOUNG:** I don't know, it's a hard question. It's definitely -- I'd be lying if I said it was easy to just watch other people win. Obviously, today Tony beat us all by a lot, but it's not fun being that close that often and not having one. Some of them I've been closer than others obviously, I've lost by one a couple times and lost by four, five a couple times. All in all, I think it's a great thing, it proves that I can at least put myself there. Yeah, I think overall it's a good thing, but definitely a little frustrating not to have won one yet.

**Q. And now your mindset, you move up to No. 9 I believe in the FedExCup standings through the biggest tournaments of the season coming up. If we can get some comments on your goals during those.**

**CAMERON YOUNG:** I mean, I feel like they stay the same. I think I'll go into them just looking to play the same kind of golf that I have throughout the season. I played some great golf earlier this year that didn't result in top-10s, but I feel like I've consistently played some solid golf, and I think if I can do some more of that, I'll be hopefully right around the lead and one of these Sundays I'll shoot something crazy.
