

**ROUND 2 INTERVIEW**  
**August 5, 2022**

**JOHN HUH (-8)**

---

**Q. John, 1 over today, that was an interesting round. If we can get some comments.**

**JOHN HUH:** Yeah, I think that's golf. One day I get a good break, another day I don't get a good break. I did what I can do and hopefully as of right now I'm only one shot off, so I'm in a great spot. I'm looking forward to the next two days.

**Q. What was the biggest difference today compared to yesterday?**

**JOHN HUH:** Well, my ball buried on the first hole and that kind of really wasn't the greatest start, but I kept my head up and just tried to grind out there. I did what I can do, but I made a few poor decisions and that's the difference. Yesterday I just made good and committed and good shots and today wasn't -- was the opposite of it.
