

**ROUND 4 INTERVIEW**  
**August 7, 2022**

**WILL ZALATORIS (-9)**

---

**Q. Will, I know not the finish you wanted there. If we can get you to recap the round and then also the week.**

**WILL ZALATORIS:** Yeah, Jekyll and Hyde all around. I did some good things and did some really bad things. The good's there, just need to clean up the bad. I've been playing some nice golf this year obviously and these next three weeks are obviously what I've been getting ready for. So have to take some pride out of these last three rounds and keep it going into next week on a golf course that I love.

**Q. Anything specifically before the Playoffs you need to kind of work on? I know Memphis will be here before you know it.**

**WILL ZALATORIS:** Yeah, need to get a little bit better with the wedges, didn't really pop particularly well this week. This week was kind of interesting, the greens were grainier than I remember so I kept under-reading a lot of putts and kind of second guessing myself a little bit. All in all, like I said, the good's there, just need to keep doing more of that.
