

ROUND 1 INTERVIEW
August 11, 2022

SI WOO KIM (-8)

Q. Overall assess your round today.

SI WOO KIM: Yeah, it was great to start birdie 2 under and then I was a little struggling putting and then I just decided to change the putting grip, so I think that makes more feel comfortable. I think that's why a couple putt on the back nine and I got confidence, keep going through.

Q. You had a good birdie streak on the back nine. What changed to be able to put that together?

SI WOO KIM: The change of the putting grip, it helps and then makes more comfortable feeling. A couple of drops and I kept getting confidence, I think that's why the couple birdie.

Q. On No. 18 can you talk about the club and the distance?

SI WOO KIM: 171 and 8-iron.

Q. And what did you see there?

SI WOO KIM: I'm just trying to like 10 feet on left side and it was perfect shot, came off.

Q. Were you excited?

SI WOO KIM: Yeah, I was excited.
