

ROUND 4 INTERVIEW
August 22, 2022

THONGCHAI JAIDEE (-13)

Q. Thongchai, 66 out there today, low round on the course. What did you see out there?

THONGCHAI JAIDEE: I played great today. I start very well, started make birdie on first hole, second hole we have three-putt. I think the key for me, I putting well and the golf course is very good shape. I love the golf course, the greens are fantastic. I not miss anything -- (indiscernible) good up-and-down a couple hole, that's why the key make me a lot confident. Get back on the back nine, finally we chip in on 15, 16 we make eagle on 16, that's why I think make me about top-5, something like that. The last hole, try to get birdie last hole to make me more, you know, another one, but 6 under par, very happy round for me. (Indiscernible) this week, I mean, I joy to be here.

Q. You've had a nice run of form here winning a couple months back and kind of a nice stretch. What do you attribute that to?

THONGCHAI JAIDEE: I think the key for me, I think I try to catch up my putting. My putting getting working now because I know what I working on. The driver working very good every week, I be top-10, very solid. The game have to be solid, make me a lot confident. The putting the key for me, improve a lot of putting, make me a lot confident. Green we can read, we can putt, that why make me a lot opportunity for future. That's why make me happy to be here.

Q. Just really quickly, obviously you won, you fared well, but between yesterday, Saturday you shot up nearly 19 spots kind of getting to the top. What kind of your mentality was kind of working from day one and then finishing here pretty high?

THONGCHAI JAIDEE: I think first round we played very well. We had double bogey last hole, hit the ball in the water left, but we have three shot on the green to make another three-putt, I make double bogey. I think two more round try to get my best anyway, try to get fairway, green and putt. The more important do every week, driver, fairway, hit on the green, make a putt, then I confident. I think second round 5 under, today 6 under. Very good round for both day, I very happy. I enjoy to be here. First time here, I think I love the golf course, I love all the setup, I think the green is fantastic. Everything is complete everything very nice.
