

**ROUND 2 INTERVIEW**  
**August 27, 2022**

**DUFFY WALDORF**

---

**Q. Just a few comments about the round. A little bit of a slow start, then you rallied back with birdies on five of your last eight holes.**

**DUFFY WALDORF:** Yeah, I feel like this course, sometimes it starts -- there's some tough holes at the start, and there are some birdie holes, but back side if you can -- I feel like if you can get something going, you get about four or five holes there in the middle of it that are real birdie holes, and I was able to take advantage of them. Really came down to some good putting. I was driving it in a little bit of trouble and not getting about birdie putts. And then from 11 on all the way in, I was in pretty good shape, except for the one up-and-down I needed on 17.

**Q. How have you been feeling coming into the week as far as your game goes? Anything you're particularly happy with or working on?**

**DUFFY WALDORF:** Yeah. This little stretch has been really good with the putting. I have putted well in Seattle and putted well at the Dick's last week, Dick's Sporting Goods Open.

**Q. Yep.**

**DUFFY WALDORF:** So it's carried over. I have putted well this week. I always find these greens difficult, but so far I have been putting great. And I feel like I have a chance if I keep putting like that.
