

ROUND 3 INTERVIEW
August 28, 2022

BRETT QUIGLEY (-14)

Q. Even through 15 holes, end up with a 4-under 68. Just take us through those last three holes.

BRETT QUIGLEY: I felt like I had done a lot of things well today and just not gotten much out of it and just trying to stay in there. Fortunately, got a good bounce on the second shot on 16 and made the putt, and then 17 and then 18, all of a sudden it was absolutely no where to watching Steve finish on 18.

Q. How about just the overall week, how pleased are you with your game and where it is right now?

BRETT QUIGLEY: Overall, really well. I'm happy where I am, I'm playing well. This golf course is in such great shape that if you played well, you could score it and you could see all the low scores out there today. I'm just going to go watch Steve finish up here on 18, see what happens.

Q. And final question, just the course here, Warwick Hills, how's it suit your game? Is it something you're comfortable on?

BRETT QUIGLEY: Yeah, it's just a good old-school Joe Lee golf course. I play one in Florida and just it suits my eye well. Again, it's in such great shape that if you're playing well, you're going to score well and fortunately did so far today.

Q. What's your schedule going to be like for the rest of the season?

BRETT QUIGLEY: I'm going to play every single one. I'm not going to beat Dana's record, but I think we have seven left this year, so the intention is to play the rest of the year.

Q. Is it because you want to or you have to for --

BRETT QUIGLEY: A little bit of both, but I enjoy playing golf. Don't love being away from the family, but definitely love playing golf.

Q. There's something about the groundwater at Grand Blanc?

BRETT QUIGLEY: Absolutely.
