

ROUND 2 INTERVIEW
September 10, 2022

BERNHARD LANGER (-10)

Q. Bernhard, good round today. What was working out there for you?

BERNHARD LANGER: It was a bit of an up-and-down day. Made a bunch of birdies, but also a few bogeys too many. Overall, it was a good day, 4 under on this course is not bad. It was pretty hot and humid, but not too much wind, so that was nice. I had a great pairing with Ernie and Pdraig, it's always fun being out with them.

Q. Bernie, with the weather moving in and the golf course we're going to see tomorrow, from what we understand, totally different winds that we haven't seen before, how does one feel with that?

BERNHARD LANGER: Well, everybody has to adjust and adjust to the conditions they find. It may be wet, it may be soggy, I don't know. Hopefully, we won't get too much rain because the course is in great condition. It would be a shame if it would change dramatically. If it rains, the greens are going to get slower, so that's not something I would like, but it's the same for everybody and we've got to cope with it.

Q. Are you satisfied with where your game's at right now?

BERNHARD LANGER: It's close. Yesterday I played better, today was a bit erratic. I hit some really good balls yesterday, good tee shots exactly where I wanted to hit them and some pretty good iron shots. Today it was some of that, but also some others.
