

ROUND 1 INTERVIEW
November 3, 2022

RUSSELL HENLEY (-8)

Q. Russell, incredible round, bogey-free 8-under 63, birdies on your last two holes. With that, just a few comments?

RUSSELL HENLEY: Yeah, I haven't played as much golf the last couple months as I normally do, and the last few tournaments I've played I've been a little off.

Just kind of taken some things that I did poorly there and working on them these last couple weeks and I feel like it's gotten a little bit better. Just felt really comfortable out there today with my driver, which is big out here for me, a lot of intimidating looking shots. And rolled some putts in, too. So it was just a nice clean round.

Q. After yesterday's rain, how was the course playing? Did it hold up pretty good?

RUSSELL HENLEY: It did. I was surprised. Definitely had a few mud balls, but yeah, it was much more dry than I thought it was going to be.
