

RUSSELL HENLEY (-16)

Q. Russell, 63 is good on this golf course, 63 on back-to-back days is really good on this golf course.

RUSSELL HENLEY: Yeah, I felt great the last two days. Mentally felt confident and believing in what I was doing. Hit a lot of fairways and had some nice par saves today that kept my round going. Obviously very happy with where I am.

Q. You say you believe in what you're doing. What needs to happen, what does happen that gives you the best opportunity to score on this golf course?

RUSSELL HENLEY: It starts off the tee. There's some intimidating tee shots for me and I just am trying to just commit to what I'm doing and commit to trying a great shot. Just being in a good head space for those tee shots is a good start.

Q. Too simple to say you were in a zone out there? I mean, that tee shot on 8 should have probably flown in the hole. You just had it on autopilot it felt like. I know that's too simple, but that's what it looked like to us at some points today.

RUSSELL HENLEY: Yeah, definitely things were going my way. I didn't -- a lot of my lag putts today and some of my chips weren't great, but I ended up making the putt and ended up keeping the round going in a great direction. I wasn't trying to hit it back there on No. 8, it just went a little farther than I wanted, but obviously very happy with the result.
