

**MATTHIAS SCHWAB (-8)**

---

**Q. Well, Matthias, good round today, bogey-free 4-under 67, capped off --**

**MATTHIAS SCHWAB:** They got it wrong, I was 3 under.

**Q. Three under?**

**MATTHIAS SCHWAB:** Yeah. They added a birdie where I didn't make a birdie.

**Q. Well, still 3-under 68, just a few comments on what you felt good about today?**

**MATTHIAS SCHWAB:** Yeah, I thought I played well. I'm obviously happy with a bogey-free round, those don't really come that often. So not many mistakes, struck 'em solid, maybe could have made a few more putts, but overall happy with the round and happy with the trajectory of my game and where it's heading.

**Q. So you felt pretty good coming into the week about your game coming around?**

**MATTHIAS SCHWAB:** I felt OK. It's been a rough, you know, five, six, seven months, not that much has been going my way. But I think it's slowly starting to go the right direction again. Played quite well last week, too, but missed the cut by one. Yeah, this week so far it's been going nicely. I think it's finally starting to trend in the right way.
