

VIKTOR HOVLAND (-13)

Q. Viktor, the quest for the three-peat continues, 5-under 66 today, in good position. Just a few comments about today?

VIKTOR HOVLAND: Yeah, it was a lot of good stuff today. Overall like I'm playing really consistent, but missing way too many putts even though I did make some putts today. Just missing way too many putts today and yesterday. At least it's nice to feel like the ball-striking's back to where it should be and I feel like I can take it low tomorrow.

Q. You just kind of continue with what's been working with you or are you the type that likes to go and think about it and come out here tomorrow with a plan of what you hope to do, or are you going to keep going with what's working?

VIKTOR HOVLAND: This course is very much in front of you, you've just got to hit it straight, hit greens and make putts. Trying to do a little bit better job of that tomorrow even though, as I said, I feel like I've been playing very consistent. I am hitting a lot of fairways, hitting a lot of greens. And yeah, it's just a matter of trying to get it a little bit closer and get one of those rounds where it feels like everything falls in and then I can shoot really low.
