

**BRIAN HARMAN (-19)**

---

**Q. Brian, lovely weekend, bogey-free 66-67, big Bulldogs win, not a bad weekend to be Brian Harman?**

**BRIAN HARMAN:** Yeah, Dawgs on top, that was a fun game yesterday. Glad to see Kirby get those guys ready to go.

Game's been great. Haven't really had the results that I felt like I should have had lately, so it's nice to have a good finish.

**Q. Second place by the looks of it here this week, excellent. Coming off a 15, a tie for 23rd. I'm assuming we'll see you at the RSM Classic?**

**BRIAN HARMAN:** Yeah, it'd be hard to sleep in my own bed and not play that one. Yeah, I love that place and I'll be excited for a couple weeks.

**Q. Feeling like maybe there's a win coming soon and trending that way?**

**BRIAN HARMAN:** I feel like I've been trending for a while. I played really well at the end of the year and I really like where my game's at. Yeah, I just need a couple more bounces, a couple more putts, but I'm playing really well.

**Q. Just some comments about the Bulldog Russell and kind of impressive on taking his lead and what he's about to do right now?**

**BRIAN HARMAN:** Yeah, Russell's a fantastic golfer, he's been that way for a long time. He's a dear friend, I'm really happy for him. Jealous of his putter. He putts it so great and he's really rounded his ball-striking into form. I think he's -- not a lot of people would give him credit, but I think he was top-10 last couple years in Strokes Gained: Approach to the Green. He's been striking it well, so as soon as that putter gets heated up, he's tough to beat. When you putt like that, he's got a good short game. Did he make any bogeys today? I know he was bogey free. Made one today? Yeah, he buzz-sawed everybody.
